

# CLOSE READING

## HOW TO START?

1

### CHOOSE THE RIGHT TEXT

What kind of text do you want to use? Take following aspects into account: Goal, level, interest, style ...

Chapter 4.1

2

### GOAL

Set up your learning goals. What do you want to achieve with this reading lesson?

Chapter 4.2

3

### PRE-READING

Motivate students for the text by a prereading activity. Frame the reading text.

Chapter 6

4

### FIRST READING

Let students read the text for the first time to find the main idea of the text. Define your role as a teacher.

Chapter 7

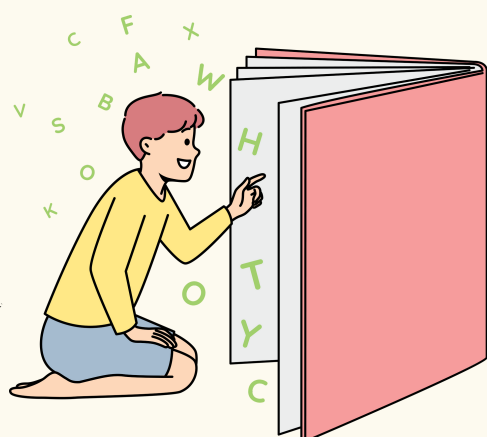

5

### SECOND READING

Let students dig deeper in the text by choosing one or more focussus on a deeper layer. Define the focus?

Chapter 8

### THIRD READING

Find the deeper meaning of the text by the third reading. Define your focus.

Chapter 9

6

### POSTREADING

Do an activity with the students as a POST READING, where you combine fun with the lessons learned from the reading text.

Chapter 10

7
